

# Panel building. **Made smarter.**

Dialogue for sustainable panel building  
and switchgear manufacturing

ONLINE LIVE EVENT

January 26, 2021

We cordially invite you to join **Rittal and Eplan** to experience the potential of the integrated value chain **online**. Come join us on a trip through efficient working methods in panel building and switchgear system manufacturing. We'll be **live**, presenting innovative solutions for every step of your value chain – from engineering to procurement and production, and even through to commissioning and service.

# AGENDA

ONLINE LIVE EVENT  
(TIME IN UTC/GMT)

**Tuesday, January 26, 2021**

- 08:30 am Time to win – Welcome and introduction**  
Rittal and Eplan: Your strong partners for sustainable panel building and switchgear manufacturing
- 08:40 am Optimising your panel building processes with the digital twin – Live tour of the Innovation Center in Haiger/Germany**  
Digital integration and end-to-end data transfer from engineering to service
- 10:10 am Practical insights from our customers**  
Best practices for optimising your entire value chain

- 11:00 am Deep Dive – Webcast**  
**Integrated planning: Conception and construction in 3D**  
The stable data basis for automating and industrialising your production processes
- 11:45 am Deep Dive – Webcast**  
**Rittal Configuration System: The new dimension of configuration**  
Your configurator for easy planning, error-free selection and quick ordering
- 12:30 pm Deep Dive – Webcast**  
**Enclosure Manufacturing: Optimising the Modification Workflow**  
Improve the quality and accelerate throughput times for enclosure and mounting panel modification through automation and the digital twin
- 01:15 pm Deep Dive – Webcast**  
**Wire fabrication and wiring: Optimised with Rittal and Eplan**  
Save valuable time with automated wire fabrication and virtual assistance for manual wiring

You can also take advantage of the “**Panel building. Made smarter.**” event as a **digital networking** opportunity. Your local Rittal and Eplan representatives are personally available for you and can answer all your questions in the **chat**.
